

Max Markakos

Center, Shoots Left, #77
Hometown: McLean, VA USA
Height 6'3", Weight: 198 lbs
Born: April 29, 2009

Player Profile: A physically dominant two-way center who combines elite size, power, and strength with exceptional hockey IQ and a natural playmaking ability. Regarded as one of the top faceoff specialists at the 16U AAA level, posting a 71%-win rate in 2025–26. Brings consistent net-front presence and a calm, poised demeanor under pressure. A proven team leader in goals, assists, and points who elevates those around him. Respected in the locker room as much as on the ice. Reliable, coachable, and injury-free throughout his career.
